Project Name	ComicCraftAI
Maximum Marks	5 Marks

Coding & Solution

This section evaluates the quality and completeness of your implemented code and the overall solution. Your submission should demonstrate working functionality, clean code practices, and alignment with your defined requirements.

Instructions:

1. Ensure your code is well-structured, commented, and follows best practices for your chosen technology stack.
2. The solution should address the core problem statement and implement the key functional requirements.
3. Include all source files, configuration files, and setup instructions needed to run the application.
4. Attach or link to your code repository (e.g., GitHub) in the table below.

Solution Summary

Field	Details
Repository Link / URL	https://github.com/jagadeshjagadesh294-pixel/ComicCraftAI
Programming Language(s)	Python
Framework(s) Used	None
Key Features Implemented	1. User can enter a story or idea. 2. AI converts the story into comic-style visual content. 3. Simple and easy-to-use comic creation.
Pending / Incomplete Features	1. Advanced comic customization. 2. User account management. 3. Final deployment.
Setup / Run Instructions	1. Install Python. 2. Install required dependencies. 3. Run the Python application. 4. Open the application as instructed in the project repository.

Code Quality Checklist

Date	30 September 2026
Team ID	SWTID-2026-9357
Project Name	ComicCraftAI
Maximum Marks	5 Marks

S.No	Criteria	Status (Yes / No)
1	Code is modular and organized into functions / classes.	✓ Yes
2	Meaningful variable and function names are used.	✓ Yes
3	Code includes comments / documentation where necessary.	✓ Yes
4	Error handling is implemented for critical operations.	✓ Yes
5	The application runs without critical errors.	✓ Yes
6	Code is committed to a version control repository.	✓ Yes

Additional Notes / Comments:

ComicCraftAI is an AI-powered comic creation solution that converts user ideas or stories into comic-style visual content. It makes comic creation easier, faster, and accessible for beginners and content creators.
